

THE **INSURANCE CONTRACT**

**Don't Just
Insure Your
Life.**

**ENSURE
Your Lifestyle.**

What **We** Believe

When you earn your money, you should choose what happens with it. There should be no limit to how much you can access or what you use it for. You should not be penalized when you use your own money. You should have access to all the tax strategies that the super-rich enjoy.

And You **Can**

// **IC Pioneers**

Disneyland

Walt Disney could not secure traditional financing to start his Anaheim theme park, so he borrowed money from his insurance contract and created the happiest place on earth.

Pampered Chef

Doris Christopher borrowed \$3,000 from the cash value of her insurance contract in 1980 to start the Pampered Chef, which Warren Buffet bought about 20 years later for \$1.5 billion.

University of Michigan

Wolverine football head coach Jim Harbaugh made history when he asked the university to pay him in the form of insurance-contract premiums, and now he is the highest paid coach in the nation.
